

**CITY OF FORSYTH
REQUEST FOR PROPOSALS
SPLASHPAD RESURFACING**

Background

The City of Forsyth is seeking qualified vendors to submit proposals for the resurfacing of the public splashpad located at Country Club Park located at 343 Country Club Road. This project aims to enhance the safety, aesthetic appeal, and overall functionality of the splashpad for community use. The splashpad was originally installed in 2016, is 75' x 45', has a rubberized surface, and is approximately 0.5-1.5 inches thick. It has been a popular recreational facility for families and children in our community. Due to regular wear and tear, the current surface has deteriorated and requires resurfacing to ensure safety and usability.

Scope

The selected contractor must provide the following services at a minimum:

- Assessing the current condition of the splashpad surface.
- Removing the existing surface material.
- Preparing the underlying surface as necessary.
- Installing new, high-quality, slip-resistant surface material suitable for a splashpad environment.
- Ensuring that the new surface meets all safety standards and regulations.
- Completing the project within the stipulated timeline.
- Providing maintenance guidelines for the new surface.

Schedule and Submittal Instructions

Responses to this solicitation are due no later than **5:00 pm on March 7th, 2025**.

Proposals will be accepted on or before the deadline identified above. Proposals received after that date and time will be rejected. Proposals will not be opened publicly.

Sealed responses are due to **Will Campbell, Project Manager, City of Forsyth; 23 E Main St, Forsyth, Georgia 31029**. All proposals must be sealed and should be clearly labeled "**FORSYTH SPLASHPAD RESURFACING**." Five copies are requested as well as one digital copy.

Contents of Submission

Responses are to be returned to the City of Forsyth City Hall where an initial evaluation of the proposals will be completed.
